## S.H.I.E.L.D.

SUPPORT, HELP, INSPIRE, AND ENCOURAGE LEARNING DEVELOPMENT

Just as a shield is a tool, the S.H.I.E.L.D. program aims to be a tool our Bracken Warriors can utilize. S.H.I.E.L.D. works one-on-one with students to give them the resources they need to succeed including tutoring, building cognitive skills, and in some cases providing accommodations.

Our S.H.I.E.L.D. Team will establish an individualized plan for each student. Students will have the option to meet, once, twice, or three times a week depending on their determined plan.

**Academic Tutoring** can incorporate building cognitive skills including:

- Improving Memory
- Increasing Processing Speeds
- Subject-Specific Support

**Dyslexia Therapy** is a program for students who struggle with reading, written expression, and spelling (multisensory, direct, explicit instruction using the Orton-Gillingham Approach).
