“Building
Warriors”

SUPPORTING THE WHOLE WARRIOR

At Bracken Christian School, we believe caring for students means supporting the whole person—mind, body, and spirit.

Our Student Services team walks alongside Warriors and their families with encouragement, resources, and Christ-centered care every step of the way.

From personal guidance through our campus counselor, to academic and college advising, to the care of our school nurse, and the connection fostered by our Student Engagement Coordinator.

Each service is designed to meet the unique needs of our students. Even our front desk team plays a vital role in creating a warm, welcoming environment for families each day.

Together, these services create a network of support where students feel equipped, connected, and cared for—ready to grow in faith, confidence, and purpose as they step into all that God has planned for them.
