## ELEMENTARY

A Letter from  
Mrs. Gentry

Good afternoon, Wee Warriors!

I'm so happy to see everybody on campus having a good time and enjoying the chapel that their children have prepared for them.

We have entered into another time of sick season. I just want to remind everybody that if your child has fever or upset stomach, including diarrhea or vomiting, please do not send them to school until they have been free of these symptoms for at least 24 hours without medicine.

This will help us greatly improve the number of healthy students on campus and stop the spread of any viruses that are going around. I appreciate your help in this and I look forward to seeing you on campus this week.

Miles of Smiles in Him,

*Mrs. Gentry*
