FIT GUIDE | *Tips*

Tip 1

If you are ordering the new elementary polo dress for your daughter, the dress will fit similarly to the polo, so whichever size polo she orders, make it the same for the dress.

Tip 2

When ordering polos, please make sure you select the material you'd like! We offer a dri-fit option for polos now! There is also an option to order a girls fit or boys fit.

Tip 3

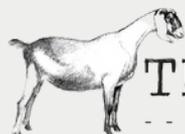

If you are ordering a plaid skirt for your daughter, please know we have a new fit for our skirts! Skirts are now worn at the waist (not resting on the hips) and the length should be two inches above the knee. IMPORTANT: Our skirts are unfortunately on back order due to supply issues so please be prepared to wear last year's skirt (grace extended here) or shorts/pants until our new skirts do arrive. Expected arrival is early October.

Tip 4

All uniform shorts, pants, belts, socks or shoes can be purchased on your own. Shorts must be a 5" inseam or longer. If you have questions whether or not pieces you find are school approved, feel free to call the front office for clarification.

uniform fitting day

Mark your calendar for August to get the perfect fit and order on the spot! Meet in the Gym from 8:00am to 11:00am
